

## PROFESSIONAL PROFILE

I am seeking an opportunity as a Full Stack Developer, as my background encompasses both Frontend and Backend development, with solid experience in JavaScript, Node.js, HTML, and CSS.

I am excited to join a dynamic team and collaborate on exciting projects that challenge my skills and allow me to continue growing as a professional.

## SKILLS

- Javascript
- NodeJS
- Html / CSS
- CSS Framworks
- Version Control / Git
- API Integration
- Browser Developer Tools

## SOFT SKILLS

- Teamwork
- Problem-solving
- Adaptability
- Continuous learning
- Sociable

## LANGUAGES

- ENGLISH / B1
- PORTUGUESE/ B2
- SPANISH/ Native

## HOBBIES

- Traveling
- Gym
- Hacking
- Cycling
- Volunteering
- Cooking

# FullStack Developer

## IGNACIO LÓPEZ

### EXPERIENCE

#### CRUD - Node.js, MongoDB y Express

- Developed a comprehensive data management system that includes CRUD operations.
- Implemented JSON Web Tokens (JWT) for authentication and authorization.
- Utilized Express as a web framework to define routes and controllers, facilitating the management of HTTP requests and routing within the application.
- [Project Link](#)

#### WEB SITE : [ignaciolopezibacache.com](https://ignaciolopezibacache.com)

- Developed and designed a website using HTML, CSS, JavaScript, and Bootstrap, with support for multiple languages.
- Employed responsive design techniques to ensure a consistent experience across a variety of devices and screen sizes.
- This project is included in my personal portfolio, where all the projects I have developed can be viewed. [ignaciolopezibacache.com](https://ignaciolopezibacache.com)

### PORTFOLIO
